

Thenergo appoints CEO

14 October 2009 – 18h00 CET – Regulated Information

Antwerp – Thenergo (Euronext Brussels: THEB), a leading developer and operator of decentralized clean energy projects, is proud to announce that the Board of Directors appointed Daniël Schurmans as Chief Executive Officer of the company. Daniël will, as of today, take up the daily management and will further develop the strategy and activities of the company.

Daniël gathered a thorough insight in the activities of Thenergo as member of the Board of Directors. Prior to his appointment as CEO Daniël worked as Business Unit Manager Sustainable Development at ParticipatieMaatschappij Vlaanderen (PMV).

In 2002, as Vice President Marketing & Product and member of the Board of Directors of Qualifyer Ltd., he was at the leading edge of the airline company Brussels Airlines. He worked as Commercial Director at IMS in France and acquired a broad experience as Management Consultant in different Belgian companies. Daniël is Engineer in Metallurgy and Materials Science and specialized in Nuclear Energy (KULeuven).

“We are extremely pleased with the appointment of Daniël as CEO.” says Norbert Van Leuffel, chairman of the Thenergo board, “Daniël’s strong strategic insight and leadership will bring a new start to Thenergo. In addition, at PMV, Daniël has had the chance to raise thorough understanding in the renewable energy markets.”

Today the Board of Directors co-opted Johan Keppens as Non-executive Director of Thenergo to replace Daniël Schurmans. The confirmation of the co-optation will be presented at the following General Meeting of shareholders. Johan Keppens is Investment Manager at PMV. Johan is Commercial Engineer and specialized in Business Economics and Strategy. Previously he worked as Manager in the strategy division of Accenture.

About Thenergo

Based in Belgium, Thenergo is a fast-growing, fully integrated and independent developer and operator of sustainable energy projects using biogas, natural gas, bio-oil and woody biomass. Thenergo creates value for its partners and shareholders as a one-stop provider of sustainable energy solutions, transforming renewable fuels into electricity and heat.
